

Our Global Network

We work with research organizations from around the world

Our department is linked with a number of national and international research organizations, such as:

- [Canadian Cancer Society](#)
- The [Canadian Cancer Clinical Trials Network](#) whose goal is to improve patient access to clinical trials and the efficiency and quality of clinical trials activities in Canada
 - Through this network, we have partnered with [Cambridge Memorial Hospital](#), [Walker Family Cancer Centre](#), and [St. Joseph's Healthcare](#) to help promote clinical trials
- [Canadian Cancer Trials Group](#)
- [The National Cancer Institute](#)
- [NRG Oncology](#)
- [Ontario Institute for Cancer Research](#)
- [Princess Margaret Phase II Trial Consortium](#)
- Many Industry and Pharmaceutical partners
