

Our Local Network

Patients throughout our region may be eligible to participate in [clinical trials](#) offered here at the Juravinski Cancer Centre. We also partner with many other local sites which offer clinical trials.

Partner sites include:

- [Walker Family Cancer Centre](#) in St. Catharines
- The Oncology Clinics at:
 - [Brantford General Hospital](#)
 - [Cambridge Memorial Hospital](#)
 - [Joseph Brant Hospital](#) in Burlington

These centres either participate in the same clinical trials or can refer patients to the Juravinski Cancer Centre.

We also work closely with [St. Joseph's Healthcare Hamilton](#).

All of our oncologists who conduct clinical trials are faculty members of [McMaster University](#).

Some of our oncologists and clinical trials research staff are members of the [Escarpment Cancer Research Institute \(ECRI\)](#), which includes the [Ontario Clinical Oncology Group \(OCOG\)](#).

Local clinical trials are approved by the [Hamilton Integrated Research Ethics Board \(HiREB\)](#) or the [Ontario Cancer Research Ethics Board \(OCREB\)](#).
